In this series we'll be in the Gospels, looking at what it means to whole-heartedly follow Jesus.

**Upcoming Special Events**

@cbcyouthradiate

In this podcast episode, we talk about our job as Christians. That job is to share the good news of Jesus with a lost and dying world. As a Christian, we would like to challenge you to start with just "one" person. Who has God put in your path, today, to share Jesus with.

We've titled this episode, **Who's Next - Sharing Jesus with One More.**

### Welcome Guests!

We are so glad to have you with us today. Please take a moment to fill out our "Connection Card" located in the pew rack in front of you. You may give this to our host at the Welcome Center and receive a free gift or hand it to one of our ushers or greeters. Let us know if we can be of assistance to you. God bless you!

**“For the LORD is good; his steadfast love endures forever, and his faithfulness to all generations.” Psalm 100:5**

Today we remember that 50 years after Roe v Wade, the Supreme Court overturned their decision. Today, let's take a moment to **celebrate** this miracle.

But let's not stop there! We have more to celebrate! **Crossroads has been here to help women facing difficult decisions for 40 of those years!**

You may wonder what the changes in the law means to our ministry. The truth is *nothing - except that we are needed more than ever*. Women and men continue to struggle to see life beyond their current situation yet can still find **help, hope, and healing** in the love of God. We can provide much needed answers and they can see the life within her womb. Our Bridges Program can provide all the education and material items they will need even after the baby is born. Our abortion recovery Bible studies help to heal deep wounds through grace and forgiveness.

God is faithful throughout *all generations*.
